Notice of CREATE Program advertisement for DBE firms

The Illinois Department of Transportation (IDOT), as a member of the CREATE partnership, is pleased to promote that Metra is seeking Letters of Interest and Qualifications (LIQ) for Engineering Design Services for CREATE Program Project P2, the Metra Southwest Service/Rock Island District Flyover Connection. P2 is part of the 75th Street Corridor Improvement Project in Chicago, IL. The firm will work as an extension of Metra staff to provide program administration services, stakeholder coordination, track design, retaining wall design and environmental engineering for the project.

This project is being procured by Metra. Please refer to <http://www.createprogram.org/bid.htm> for detailed information and requirements for this exciting bid opportunity.

The CREATE Program information can be found at: www.createprogram.org/. CREATE is a first-of-its-kind partnership between the U.S. DOT, State of Illinois, Cook County, City of Chicago, Metra, Amtrak and the nation's freight railroads. A project of national significance, CREATE will invest billions in critically needed improvements to increase the efficiency of the region's passenger and freight rail infrastructure and enhance the quality of life for Chicago-area residents.
