Notice 2015.01

To: IDOT Construction Procurement Personnel

From: Bill Grunloh, Chief Procurement Officer *B.G.*

Date: July 28, 2015

Subject: Small Purchase Threshold – FY2016 CPI Adjustments

This notice is issued pursuant to Section 20-20(b) of the Illinois Procurement Code to show the Consumer Price Index (CPI) adjustment to certain small purchase thresholds. These thresholds show the dollar value of contracts that need not utilize one of the competitive methods of source selection determined to be most appropriate to circumstances.

The CPI percentage being used to make the adjustments is 0.8%. The percentage change was determined by utilizing statistics published by the United States Department of Labor Consumer Price Index for all Urban Consumers.

Effective July 1, 2015, the small purchase thresholds for procurements under the authority of the CPO for Illinois Department of Transportation –Construction will be as follows:

- Construction: not exceeding \$30,200 (This is an increase from the FY15 amount calculated as \$30,000 + .8% rounded to the nearest \$100.00)
- Architect/Engineering/Land Surveying: less the \$25,000 (This amount is not subject to change. See 30 ILCS 535/45.)
