

Notice of CREATE Program advertisement for DBE firms

The Illinois Department of Transportation (IDOT), as a member of the CREATE partnership, is pleased to promote that Norfolk Southern is seeking Requests for Proposals for an Engineering Services Provider for four (4) EW2 Design Packages for the upcoming 75th Street Corridor Improvement Project. This project consists of several professional service and construction contracts over the next four to five years. To ensure maximum participation opportunities by our vendors, IDOT will be sharing all CREATE bid opportunities available for the project.

This project is being procured by Norfolk Southern. Please refer to <https://www.createprogram.org/get-involved/bids-rfps/> for detailed information and requirements for this exciting bid opportunity.

The CREATE Program information can be found at: <http://createprogram.org/>. CREATE is a first-of-its-kind partnership between the U.S. DOT, State of Illinois, Cook County, City of Chicago, Metra, Amtrak, and the nation's freight railroads. A project of national significance, CREATE will invest billions in critically needed improvements to increase the efficiency of the region's passenger and freight rail infrastructure and enhance the quality of life for Chicago-area residents.
