AMENDMENT TO INTERIM SUSPENSION

On May 2, 2012, the Chief Procurement Officer for the Department of Transportation ("CPO") entered an interim suspension, immediately suspending AC Pavement Striping Company (ACPSC) from participating on any contracts or subcontracts awarded by or requiring the approval of the Department of Transportation. This interim suspension remains in effect, subject to the following amendment and modification effective on this date:

As to any existing executed contract or subcontract between ACPSC and the Department, or between ACPSC and a Local Agency which was approved by the Department, the CPO finds that the public interest warrants allowing ACPSC to continue to work on such contracts or subcontracts. However, the CPO reserves the right to suspend on an interim or permanent basis any such contracts or subcontracts pending further review and consideration under 44 Illinois Administrative Code, Part 6.

Further, ACPSC retains the right to request a hearing under Section 6.620 of the Administrative Rules. (44 Ill.Admin. Code 6.620).
