AMENDMENT TO INTERIM SUSPENSION

On January 12, 2012, the Chief Procurement Officer for the Department of Transportation ("CPO") entered an interim suspension, immediately suspending McDonough Associates Inc. ("MAI") from participating on any contracts or subcontracts awarded by or requiring the approval of the Department of Transportation. This interim suspension remains in effect, subject to the following amendment and modification:

As to any existing executed contract or subcontract between MAI and the Department, or between MAI and a Local Agency which was approved by the Department, the CPO finds that the public interest warrants allowing MAI to continue to work on such contract or subcontract. However, the CPO reserves the right to suspend on an interim or permanent basis any such contract or subcontract pending further review and consideration under 44 Illinois Administrative Code, Part 6.

Further, MAI retains the right to submit, in person, in writing, or through a representative, information, documentation and argument in opposition to the interim suspension as amended under Section 6.620(b) of the Administrative Rules. (44 Ill. Admin. Code 6.620(b)).
